Founded in 2013, the **Alpine Country Blues Festival** was created to help bring visitors back to the White Mountain region after the Wallow Fire. Over those three years, our event has grown to over 650 concert attendees. With your help we hope to double our attendance in 2016. There are several ways to get involved through **Sponsorships**, **Advertising** opportunities, or even an on-site **Vendor** space. We will happily work with you to find the right fit for your business, or to answer any of your questions.
